## Chesterfield County Environmental Management Policy

The County of Chesterfield is committed to improving countywide environmental practices, and to being responsible protectors of the environment in conformance with its mission of providing a "First Choice Community through Excellence in Public Service." In support of this commitment, the county will:

1. Meet or exceed all applicable environmental laws, regulations, municipal standards, and other environmental initiatives to which the county subscribes.
2. Educate, train, and recognize employees for enhanced environmental performance and increased awareness of environmental issues.
3. Practice the principles of pollution prevention.
4. Respond to environmental incidents at county properties and facilities quickly and effectively.
5. Continually improve our environmental management program and make it an integral part of our standard business practices.
6. Develop and periodically review environmental objectives and targets as part of maintaining the county's environmental management program.
7. Promote the education of all citizens in the awareness of environmental issues and pollution prevention.
8. Encourage the use of sound environmental principles and practices by all county contractors and vendors.

This commitment to protect the environment is required by all persons working for Chesterfield County at all levels.
